MODEL UNITED NATIONS · SMA AWARENESS

Diplomacy with *hope.*

A place for bold ideas. A brighter future for Ata.

HopeMUN brings young people together to debate global challenges and build solutions. Every bit of conference revenue supports Ata, a child living with SMA.

A welcome message from the Secretary-General will be shared here shortly.

LETTER FROM THE DIRECTOR-GENERAL

Coming soon.

A message from the Director-General is on its way.

OUR PURPOSE

More than a conference.

We use the reach of the MUN community to make SMA visible and give hope to a child.

HopeMUN is a volunteer initiative raising awareness of spinal muscular atrophy (SMA) through Model United Nations. We want MUN's reach to serve those who need it most. Every bit of conference revenue is dedicated to supporting Ata's treatment.

THE CONFERENCE

Bring your voice to the table.

Research, debate, and work across perspectives. At HopeMUN, every delegate has a part in shaping the conversation.

01

Debate with purpose.

Explore global issues, represent a perspective, and turn research into thoughtful proposals.

02

Find your committee.

Committee topics and study guides will be published as soon as they are confirmed.

03

Meet your people.

Build confidence, friendships, and a community that believes young voices matter.

PLAN YOUR CONFERENCE

The details are taking shape.

Confirmed information will be shared here as soon as it is ready.

WHY IT MATTERS

A future worth *hoping for.*

We want young people to hear stories like Ata's, understand SMA, and know that their community can help make a difference. Every contribution to HopeMUN helps carry that hope forward.
